# WHO WE ARE?

Othello Software delivers turnkey fintech solutions for Forex brokers, integrating trading platforms, risk management, CRM, liquidity, and automation into one seamless ecosystem. We simplify brokerage operations with scalable, all-in-one technology designed for both startups and industry leaders.

---

Proudly based in Malta, Othello Software operates under the Companies Act, 1995, upholding the highest standards of compliance, security, and reliability. As a fintech leader, we are dedicated to driving innovation and making a global impact in the Forex industry.

---

Othello Software pioneers cutting-edge FX platforms, CRM, Web Trader, mobile apps, and SQL databases, delivering seamless, all-in-one solutions. Our mission is to empower Forex brokers with innovative, scalable, and efficient trading ecosystems for success in competitive financial markets.

---

# WHAT WE ARE LOOKING FOR

We're on the hunt for dynamic, confident, and results-driven ambassadors who can close high-value deals for our powerful Forex platform. If you have a sales background and are ready to take your earnings to the next level, we're offering a minimum of 5000 EUR per sale. This is your opportunity to maximize your income, work with an industry-leading platform, and be part of a global network of high-impact professionals. If you're hungry for success and want to earn big while shaping the future of Forex, this program is your chance to thrive.

## 10+ CLIENTS

Achieve Premium Level and earn 5% of the monthly setup fee from each client for next quarter

# MILESTONE BONUSES

We believe in rewarding our ambassadors for driving success and making a real impact. That's why we offer exclusive quarterly bonuses designed to recognize your efforts and amplify your earnings. The more clients you bring in, the greater the rewards making it even more exciting to grow with us.

This isn't just about closing deals; it's about maximizing your income while helping us build a global network of successful traders. The more clients you bring, the bigger the impact – and the bigger the rewards.

# OUR PRICES

We aim to deliver everything from state-of-the-art trading technology to comprehensive support, ensuring client success in the highly competitive Forex market. For access to our robust, all inclusive Forex platform, our clients shall expect:

## SETUP FEE

**10.000 EUR**

## MONTHLY FEE

**10.000 EUR**

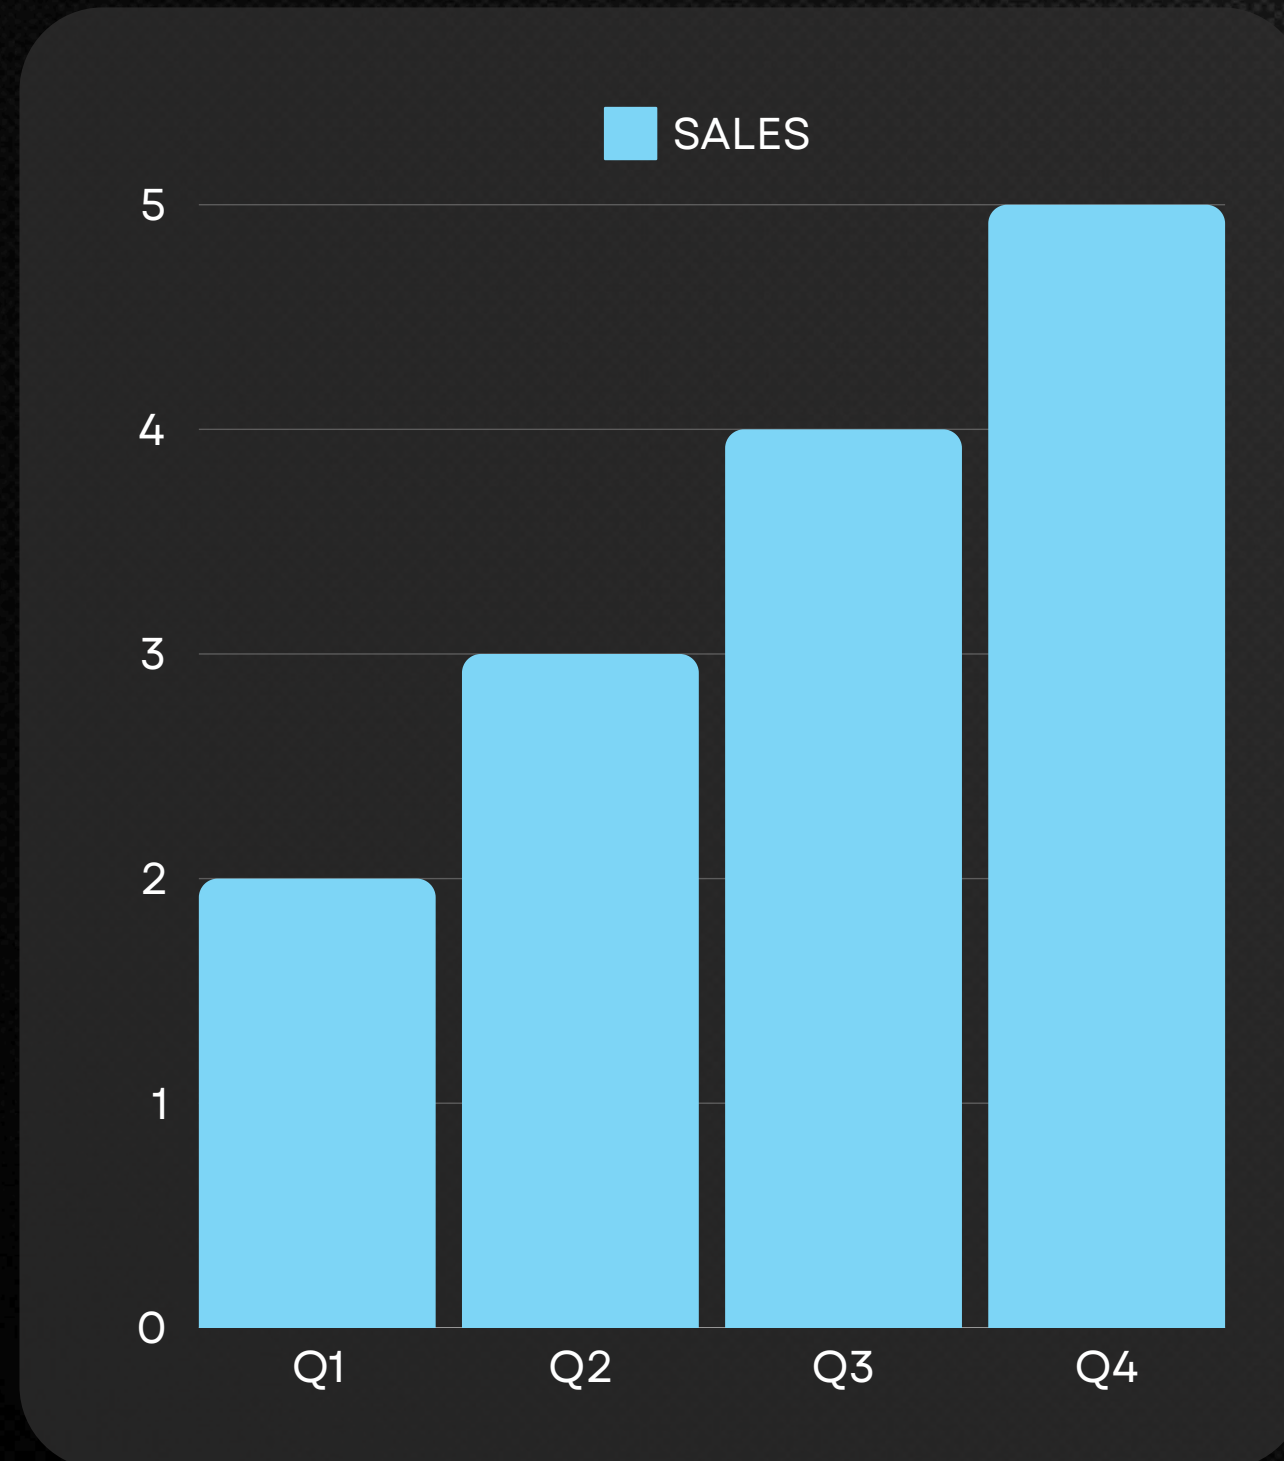

# CASE STUDY

## Success Story Example with Othello Software

- **Quarter 1:** They close 2 clients, earning 10,000 EUR from sales commissions.
- **Quarter 2:** They bring in 3 clients, earning a 2.5% milestone bonus of 2,250 EUR for the next quarter, plus 10,000 EUR from commissions, bringing the total to 12,250 EUR.
- **Quarter 3:** With 4 clients, they earn a 3% milestone bonus of 3,600 EUR, plus 10,000 EUR from commissions, totaling 13,600 EUR for the quarter.
- **Quarter 4:** They close 5 clients, earning a 5% milestone bonus of 7,500 EUR, plus 10,000 EUR from commissions, resulting in 17,500 EUR for the quarter.

## Total Earnings for the Year:

53,350 EUR from commissions and milestone bonuses. This example demonstrates the incredible earning potential within the Othello Software Ambassador Program, where every client brought in leads to higher commissions and greater rewards.

# REFERRAL FEE

We believe in rewarding our ambassadors for bringing in new connections. With the Referral Fee Tree, you can earn even more by referring someone who successfully closes a deal with us.

## Here's how it works:

If you refer a friend who successfully closes a deal with us, the commission is shared between you and your referred friend.

**FRIEND**

**40%**

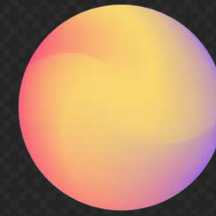

**AMBASSADOR**

**20%**

This Referral Fee Tree structure offers an incredible opportunity for ambassadors to not only earn from their own sales but also by growing their network and empowering others to succeed. It's a win-win for everyone, as both the ambassador and their referred friend earn rewards for closing deals together!

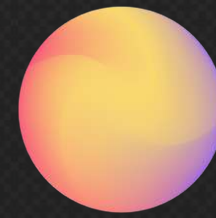

## **Your Key Selling Points** What makes Othello Software unique?

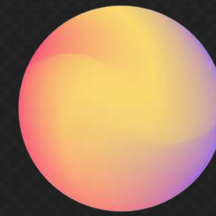

Othello Software offers a state-of-the-art Forex platform, a robust CRM, advanced trading tools, and an all-inclusive solution that empowers brokers to succeed in the highly competitive Forex market. We provide everything you need in one seamless ecosystem designed for scalability and efficiency.
